FRIDAY 19<sup>TH</sup> MAY 2017

## Principal's Report

Wednesday's Whole School Cross country was an amazing success! Every student that I have spoken to, said they had a fantastic time! Happy smiles, cheering for and supporting each other and friendly, inclusive playing with each other are also really good indicators that our students were thoroughly enjoying themselves. This is always our marker of success- the engagement of our students. Days like the Cross Country are so valuable for our school and our children have told us how valuable they are to them because of the wonderful connections they make across the campuses and having the time to catch up with each other and play as well as having the chance to challenge themselves. Every child who ran in Wednesday's event displayed our school values of integrity and high expectations. For some, just the starting was hard, for some just the idea of the whole day was a hurdle. Never the less, they found the courage inside, and with the support of their peers, teachers

and parents found a success on the day. It is vital that we encourage our children attempt things they may prove challenging or difficult. This is how they build their confidence, perseverance and resilience and the feeling of success- the success of participating and having a go.

Thank you so much to Katie Hill. It is a huge amount of work to organize an event like this and she did an amazing job. We appreciate it so much

Thank you to everyone who helped us on the day, and to everyone who cheered and supported and contributed to the day.

## NEWS FROM BADDAGINNE SWANPOOL

### **Mr Clelland's Room**

In Maths this week we learnt a range of strategies for completing and planning multiplication and addition word problems. This involved both one and two step problems. Our grammar lessons focused on Kung Fu Punctuation as part of our VCOP program and helped us edit our BIGWRITE on why 'Family are more important than friends.' The science program concentrated on practical experiments and making hypothesis to predict the outcomes and potential results.

### **Mrs Fitz's Room**

A special congratulations goes to Cailin, Eleanor and Dakoda who won a colouring competition for our next week's up-coming excursion to "We're Going on a Bear Hunt". Great job girls. Look out for their picture in next week's Benalla Ensign!

And we all wish Eleanor all the best in District Cross Country next week.

## NEWS FROM VIOLET TOWN

On Monday, all Violet Town students spent time in the community garden with Peter, Robyn, Robbie and Mychelle, tidying up and preparing the new garden boxes.

### **Mrs B's Room**

The bus trip up the hill was an exciting start to the annual cross country run at Strathbogie. Congratulations to our Foundation students who eagerly headed off on their first excursion.

### **Ms Barratt's Room**

This week in Reading, we have been learning to identify the Main Idea, in a range of texts. In Writing, students have been editing and publishing a piece of work from our Big Write sessions.

## NEWS FROM STRATHBOGIE

### Kitchen Garden

Cooking group made Stir Fried vegies to highlight the bok choy we grew, pumpkin soup and apple muffins. The gardening group practiced using secateurs, learned that making cuttings was 'cloning' and took cuttings of rosemary, geraniums, lavender and rose pelargoniums, setting up an experiment to see what will take root most quickly- using mediums honey, rooting powder or nothing.

### Ms Chapman's Room

In writing this week we have focused on editing and revising and working with others to give and receive really helpful and specific feedback to make improvements. In maths we investigated decimal tenths.

### Ms Hanby's Room

This week the students in the Junior Room at Strathbogie have been very busy. We have been learning about division in relation to sharing out a certain number of items and seeing if there are any left over, as well as learning about editing and up leveling pieces of writing during literacy.

In art, we have been learning different ways to create texture in paper. The artworks we have created this week are coming along nicely.

## COMMUNITY YOGA CLASS, CELEBRATING WORLD YOGA DAY

Sunday June 18th, 2pm start

SEE REVERSE FOR MORE DETAILS

**STRATHBOGIE HALL**

### Have you ever wanted to try yoga?

Yoga is an ancient, holistic approach to health and wellbeing that promotes harmony between individuals, their community, their natural environment, and the wider world. Yoga can increase your flexibility, strengthen your muscles, balance hormones, calm your mind and reduce stress.

In 2015 The United Nations declared the first international yoga day, and in 2016 was our first community class, here in Strathbogie! This annual event continues in 2017, and we would love **you** to experience for yourself the many benefits of yoga.

Come and join us in our community yoga class, open to all ages and levels of experience. Calling all children, mums, dads, grandparents, carers, brothers and sisters!! The class will be a light hearted, fun filled, family inspired class, and we invite you to be a part of this wonderful celebration.

This class will be by **donation**, supporting the fundraising endeavours of Peranbin Primary College - Strathbogie Campus.

This class will be lead and instructed by registered and qualified local yoga teacher Kylie Penny. Kylie's passion for yoga is sprinkled throughout the Strathbogie Ranges, with classes in the communities of Strathbogie and Ruffy.

**PLEASE BYO YOGA MAT, WATER BOTTLE, AND BE READY FOR LOTS OF SMILES!**
