Wednesday 7th	No Preps Swimming time trials	
Monday 12th	District Swimming	Euroa
Wednesday 14th	No Preps	
Wednesday 21st	No Preps	
Wednesday 28th	No Preps	

A HUGE welcome back!

Welcome back one and all to school for 2024. This week I have spent some time at each campus and it has been terrific to see everyone. There are many new faces to meet, and I was pleased to see many who remembered me after a year away. For those who don't know my story – I worked at Tallangatta Primary School as Principal for 2023. It was a great experience and learning opportunity for me as a leader. I return to Peranbin eager to work with you all again and share my new knowledge.

Over the holiday break I spoke with Angela Tough and Stacey Willaton, who both did a wonderful job leading the college in 2023. I cannot thank them enough for the work they have put in. The school has been through some positive changes which I will continue to build on going forward. When I was getting ready to return, I searched for something which encapsulates my feelings. This quote is from "A Hat Full of Sky" by Terry Pratchett "Why do you go away? So that you can come back. So that you can see the place you came from with new eyes and extra colours. And the people there see you differently, too. Coming back to where you started is not the same as never leaving".

Peranbin People!

As you know, we farewelled Angela Tough and Lisa McCrae at the end of 2023. This year we have many familiar faces still here. I would like to welcome Jess Grant to the team at Violet Town – she will be teaching the middle class. I am also thrilled to welcome Jess Kolodziej to the Peranbin team. Jess will be working as a counsellor with our students which will be a great support for wellbeing across the college.

Disability Inclusion

This year our school will begin introducing some changes to help us strengthen support for students with disability. In 2023 I led this new process with the staff and several applications for students. I can tell you that it is very comprehensive and really focuses on the strengths of our students, rather than the areas for improvement (which was a greater focus under the previous Program for Students with Disability). There is more information below from our DI Co-ordinator Jacinta Watt.

Thank you for a great first week back and enjoy your weekend.

Angela Holleran

It's cool to be at school!

Disability Inclusion

From 2024 our school will begin introducing some changes to help us strengthen support for students with disability.

Disability Inclusion will help our school better understand what our students need to help them learn and participate at school. It involves:

- a new Disability Inclusion Profile and school funding model to strengthen support for students with disability
- more resources, training and coaching for our teachers and school staff about the best ways to support students with disability.

From 2024, the **Disability Inclusion Profile** will be available to help us identify the strengths, needs, and educational adjustments we can make to assist students with disability and additional learning needs.

The Disability Inclusion Profile replaces the Program for Students with Disabilities (PSD) application process.

Over the coming years, we will invite families of students who are currently part of the PSD, and other students with disability and additional learning needs, to participate in a meeting to complete a Disability Inclusion Profile.

We will use **new school funding and supports** for more training and professional development for teachers and school staff, expert advice about disability, teachers and other staff to help plan and deliver changes for students, and resources to support learning.

The new Disability Inclusion approach ensures our school is better able to support students with disability and additional learning needs.

Peranbin Primary College is excited to be part of Disability Inclusion and we look forward to continuing to support our students to learn and thrive.

If you have any questions about your child's learning or Disability Inclusion, or need translation or interpreting assistance, please contact Jacinta Watt (Disability Inclusion Leader) on 57981431.

Happy birthday to....

Welcome back to the 2024 school year....

We have had a lovely start back to school for the first week of the school year. It's been a busy week while we settle into routines and set up for a successful year ahead.

Week One.... This week was bought to you by the letter 'S'. Students are learning about and applying the reading strategy of 'making connections'. The senior students have been using their Reader's Notebook and recording down the connections they have made during reading. In Maths, all students are learning about number patterns and algebra and enjoying activities in pairs and small groups and sharing their experiences. The students have commenced drawing their self-portraits in great detail and will be finished off for display next week.

New Foundation Students.... We welcome two new Foundation students to our campuses. This year we have Angus and Eli starting school in Foundation at our Baddaginnie-Swanpool campus. We would like to extend a very warm welcome to them both and their families to our school communities.

Reminders....

- * Uniforms - Thank you to those families that returned the new uniform orders. These will be processed, and uniforms delivered very soon. If and when you need new uniforms, your order can be placed any-time.
- * Permissions Forms – please remember to fill out the forms from the red folder package that was sent home to each family at the start of the week. This will include permission for local excursions, inter-campus travel, head lice checks, photos and media publication etc.
- * Broad Brimmed Hats
- * Drink Bottles with water only (cold refill water is available throughout the day)
- * Sunscreen
- * Mosquito repellent applied before school
- * Homework reading is expected each night and signed by the parent/guardian/older sibling at home. Senior Class students will be receiving their spelling homework words next week as well as times tables homework tasks.

Healthy Lunch Box Week.... Week Two across all campuses at Peranbin, we are having a 'Healthy Lunch Box Week' where we encourage extra thought being put into what types of foods are placed in the lunch-box daily. Healthy snacks to consider may include all kinds of fruits in season, rice crackers, cheese, carrot or celery sticks, yoghurt, salads in a container,

Specialist classes.... Week Two will see the beginning of our specialist classes.

Monday – PE, Auslan and Inquiry with Ms Jung each week (please wear runners on Mondays).

Tuesday – Art with Ms Moore on Swanpool weeks and Library with Mrs Davies at Baddaginnie.

Friday – Music with Sile on Baddaginnie weeks.

It's cool to be at school!

BADDAGINNIE & SWANPOOL

Student of the Week...

Junior Class – Well done to **William** for having a wonderful start to the school year and making great choices. We are proud of your efforts William!

Senior Class – Congratulations to **Chevi Lee** for settling in well to the Senior Classroom and impressing me with her positive attitude and work ethic. Keep up that great work Chevi Lee!

Highlight of the Week by Cailin and Yatra....

- * Seeing everyone back at school.
- * Celebrating Queen Barb's birthday.

Thank you...

- * Thank you to all the families for having your children prepared and organised for the new school year
- * Thank you to Pauline for making Queen Barb's birthday cake to share.

A special message from Ms Fitz.... The children all know and recite this regularly, 'Early to bed, early to rise, makes you healthy, wealthy and wise'.

Have a wonderful weekend with your families and find a safe way to keep cool on the very warm couple of days ahead.

Dianne, Lynda, Pauline, Princess and Barb 😊

We will be at Baddaginnie for Week 2 and 3 of Term 1 while we sort out some bus transport issues.

It's cool to be at school!

STRATHBOGIE

Strathbogie Campus

Main Street

Strathbogie 3666

Bogie Bulletin

A big welcome to all our students and families for the 2024 school year. It has been a really positive start to the term and our new students have slotted in perfectly with the entire group, in fact playtime is so much fun the bell is now dreaded.

We are very grateful to Sue and Dave for having our campus looking so amazing.

In Literacy the Juniors have been working on the “s and sh” sounds and the Seniors have worked on their reading strategies and persuasive writing.

Our Maths this week saw the Juniors working on number patterns and the Senior Class concentrated on number facts and multiplication facts, multiplication, and division.

Yesterday was our first day with Miss Jung for Auslan, Health, Inquiry and P.E. and we look forward to our weekly sessions with her.

Reminders: - Hats are compulsory for outdoor play and applying sunscreen prior to school is highly recommended

NEXT WEEK:

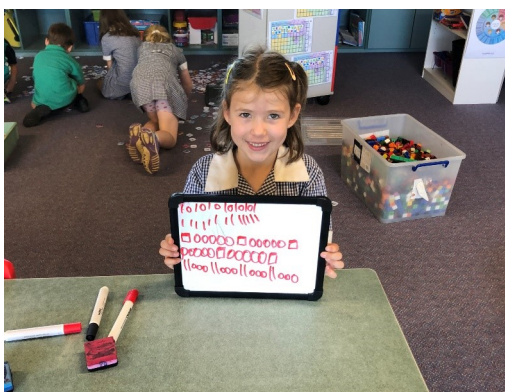

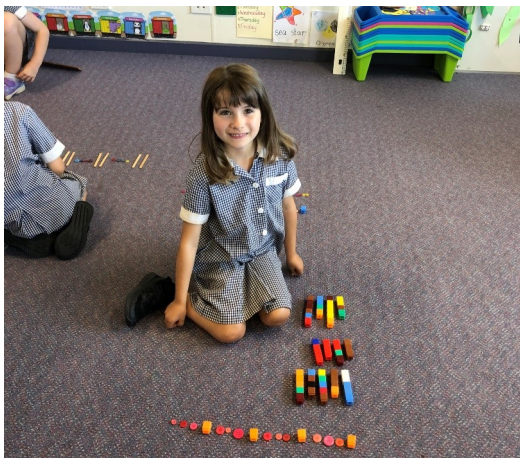

TUE 6th – MARC Van (our first library session for the year and we look forward to welcoming our new MARC teacher)

Every Wednesday – lunch order day (order directly through the Strathbogie Store)

Every Thursday – STUDENTS WILL NEED RUNNERS FOR P.E.

FRI 9th – Music with Sile

Business Manager:
Kimberley Amott

Violet Town Voice:

It is hard to believe that we are back at school already and the holidays have flown by. We hope that everyone has had a lovely restful break. On Tuesday we started the day with an assembly to introduce the new families and students to the staff and to welcome back Ms H.

The students have been setting up classroom routines and creating class charters for this year. The Preps had a rest day on Wednesday to assist them in getting used to the school routines. It has been wonderful to see all of the students playing nicely and including everyone in their games. Some of the Senior students have been teaching the younger students to play down ball.

This week has seen the students also have some of their specialist subjects with Miss Jung like Auslan, Inquiry and P.E. The children also had a music session with Sile on Friday.

Captains Report:

It's the first week back of 2024! The new Preps seem to be doing amazingly at school making new friends and having fun at play time and in the classroom. These three past days have been so much fun for everyone. On Tuesday in the Senior Classroom we had fun with our new teacher Miss Ringin! We were still getting into routine, but quickly got back into our routines. On Wednesday we had Auslan, and Inquiry with Miss Jung and made our class charter! Then on Thursday we did a writing assessment and did problem solving, and mindfulness.

That's all for this week bye!

Heidi and Valentine

The Juniors have settled in really quickly this week and have enjoyed making patterns during Math. In Literacy we have focused on the letter Ss, and the word sat. Making lemonade spiders to slurp in hot weather was definitely enjoyable. We will be focusing on Nursery Rhymes during this term, and the children will be bringing some home to read and share with their families. Take home readers will begin around the end of this term.

Reminders:

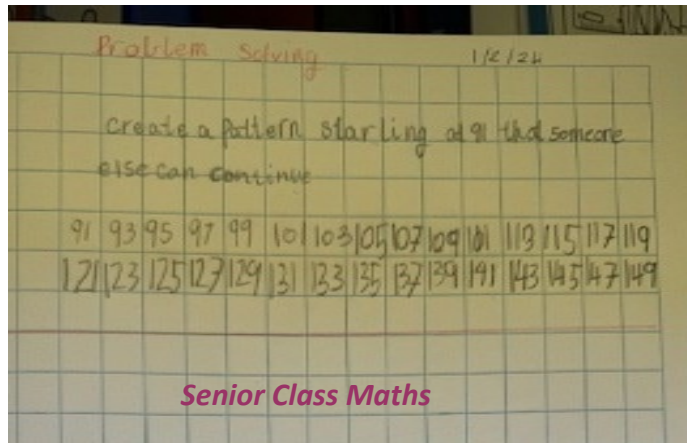

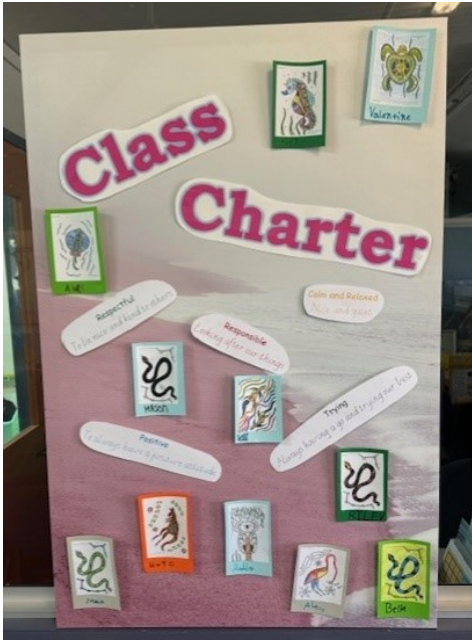

- ◆ Please wear runners and bring a drink bottle on Tuesday for P.E
- ◆ Please return the permission forms to Kim asap
- ◆ No Preps on Wednesday

Have a lovely weekend

Monique, Sandi, Jess, Kim, Kyran and Megan
