Every day at school counts towards shaping your child's future

PRINCIPAL'S PAGE

A Busy Week of Learning and Community.

It has been another busy and enjoyable week across our schools.

Our Father's Day Stall was a wonderful success, with plenty of special goodies for students to choose from. At Violet Town, students also enjoyed cooking some delicious Father's Day treats, making for a fantastic afternoon. We hope all the dads, grandfathers and special people in our students' lives enjoy celebrating Father's Day this weekend.

On Wednesday, our Years 3–6 students took part in a ThinkUKnow online safety session, presented by our Proactive Policing team. BG and SB students joined us at Violet Town for the session, which provided valuable information about staying safe online. Afterwards, everyone enjoyed spending time together with some energetic PE fun.

We also extend a very warm welcome to Ms Annalie Squires, who is working at Baddaginnie on Wednesdays, Thursdays and Fridays while Ms Fitz is away on leave. The BG students are settling well into their new routine with Ms Jung teaching them on Mondays and Tuesdays.

It is wonderful to have a staff team who can be so flexible and responsive when others take leave. I feel very lucky to work alongside such a supportive and committed group of people. Their willingness to step in and work together means that classroom routines continue, learning goes on, and student wellbeing and learning remain at the forefront of everything we do.

We send our sincere condolences to two of our much-loved colleagues, Kim and Monique, following the passing of their nana this week. Our thoughts are with them and their family at this sad time. We look forward to welcoming Monique back sometime next week.

For all of the kids out there who want to learn about podcasting – please check out the flyer from Community Learning Euroa and 7 Creeks Radio about their School Holiday Media Program for 10 to 18 year olds. What a fabulous chance for some Peranbin kids to learn more, and to share their voices. What a coincidence that we have some wonderful junior public speakers in our midst! There is a link on the flyer for you to follow.

Enjoy your weekend, and I hope *your* team has a win in the finals!

Angela

Don't forget to check out our new look website

Happy birthday to

Ange W Friday 4th

END OF TERM CELEBRATION

The Strathbogie Campus of Peranbin Primary College would like to invite members of our community to join us for a morning of fun activities. Part of our learning in term 3 was based around procedural texts - instructions, experiments, recipes etc.

From making PowerPoints with audio recordings to explaining and showing our playgroup friends how to make a collage in Book Week, we are sure to be able to teach you a thing or two.

WHEN: Thursday 17th September, 10-11am

Morning tea from 11:00am

Please let Kate know of any dietary requirements.

Email: kate.hand2@education.vic.gov.au

SMS: 0419 154 505

Wellbeing @ Peranbin

The Australian Guide to Healthy Eating

It's springtime! My favourite time of the year! Time to emerge from the warmth of the couch and get outside to enjoy some Vitamin D from the sun. As the weather changes, I always seem to change what I eat...I lean away from the hot vegies and start to include more salads in my meals. It's strange how habits are formed, but I can clearly remember my Mum doing the same thing when I was a child. In fact, it has been proven that childhood eating habits do extend into adulthood, so thanks Mum!

In our last newsletter, I included the Guide to Healthy Eating and talked about how food affects mood. This week I thought I'd investigate what food groups and amounts of each are recommended for children.

If healthy eating habits are instilled in our kids, then we are setting them up for the healthiest, strongest, best life! Check out these guidelines for children. (Keep in mind the amounts change according to age.)

Vegetables- 5 serves per day

Fruit- 2 serves per day

Grains (bread, rice, pasta, cereal)- 4 serves per day

Proteins (meat, eggs, fish, nuts)- 2 serves per day

Dairy (cheese, yoghurt, milk)-2 serves per day

Check out www.eatforhealth.gov.au for more information. Eat well, live well!

Ange Wymond - Wellbeing Leader @ PPC

Triple P-Positive Parenting Program

New Online Parenting Program for Families of Children with a Disability

The Australian Government has just launched 'Stepping Stones Triple P Online', a free program full of positive parenting strategies to help children with a disability thrive and gain key life skills. Choose from 25 evidence based practical ideas and strategies that cover bedtimes, communication and much more.

No need to worry about waitlists, travel, a diagnosis or referrals. Sign up today at triplep-parenting.net.au

Every day at school counts towards shaping your child's future

Australian Guide to Healthy Eating

Enjoy a wide variety of nutritious foods from these five food groups every day.

Drink plenty of water.

Grain (cereal) foods,
mostly wholegrain
and/or high cereal
fibre varieties

BADDAGINNIE

Baddaginnie Campus

Clarendon Street

Baddaginnie 3670

Campus Manager:

Dianne Fitzpatrick

This week saw students from Baddaginnie and Strathbogie converge on Violet Town for a visit from the police to discuss cyber safety and a whole school session of line dancing. It was great to get all the students together to take part in such fun and interesting activities!

We have been doing lots of measuring, testing, construction and building during Maths. Students have built towers to test strength and had a paper plane battle to see which designs flew the furthest with lots of critical thinking going into the best designs.

Finding and recording the sand and water needed for perfect sandcastle consistency

Reminders:

- Readers and spelling homework, nightly.
- Spelling test on Friday
- Footy Day – Week 10

Every day at school counts towards shaping your child's future

STRATHBOGIE

Strathbogie Campus

Main Street

Strathbogie 3666

Campus Manager:

Kate Hand

Spring has sprung and the proof was not only the glorious sunshine early in the week but also the blossom appearing on some of our trees. Combined with the smell of freshly mown grass after Brandon visited, the playground looked and smelled great!

We had a great introduction to warmer weather last week at the Athletics Day. It was great to see and hear lots of encouragement and laughter as the kids and family members made their way around the events at Churchill Reserve. Pip and Clara both qualified for the districts level of competition however opted not to attend. Congratulations on all your efforts and to everyone who was able to support the day – thank you for your support.

Book Week from Week 7

Last week we were very pleased to welcome playgroup and share our love of reading during Book Week. We were all in costume of characters from novels and our playgroup friends were all in the spirit of dressing up. After sharing the book *Derek*, Pip and Clara were the perfect hosts in leading an art activity to create a fishbowl collage. After preparing paper, pencils, ribbon and googly eyes earlier in the week the creativity flowed freely. Pip and Clara were full of advice and encouragement throughout the session.

Every day at school counts towards shaping your child's future

STRATHBOGIE

Sim Time

This week we were introduced to a longer tale from Russia – Ivan the Bear Child. Sim took us on a journey where Ivan, discovered by a hunter in a cave with bears, became a hero. He grew by hours, not years (that magical element once again) and became a hero, defeating Baba Yaga. Our illustrations showed the key ideas – Baba Yaga, Strength potion, Chicken Legs from Baba Yaga's home and Ivan falling back into the underworld after being betrayed. There were many "eww" moments this week, but they were softened as we sipped on iced chocolates as the first day of spring was warm.

Soup and Toasties Lunch 2.0

We are looking to have our second toasties and soup lunch day next week. This time the soup should have some rice vermicelli noodles – lots of fun to slurp on. We are thinking Thursday will be the day – looking at the long-term forecast so no need to bring lunch.

End of Term Celebration

We are well underway in our preparations for our end of term celebration. We have put up posters in Main Street and made-up individual invitations. Our minds quickly turned to the menu (sweet and savoury of course) plus what sorts of "How to" work samples and activities we are presenting. We hope to see you there from 10-11am on Thursday 17 September.

Father's Day

We spent some time thinking about our dads this week in the lead up to Father's Day. Without giving anything away, keep your eyes peeled for a few special little things. On Wednesday, the kitchen became our creating space – the picture is deliberately blurred but be assured it smelt and looked yummy.

Reminders/Next week

Daily	15 minutes of reading, signed off in homework book (this can be using Literacy Pro – login details in the back of homework book)
Mon-Thur	Spelling – complete all 6 words daily
Tuesday	Art with Sim in the afternoon
Thursday	Playgroup 9:30-11:30am Soup and Toasties for Lunch
Friday	MACC Van – Art with Nic
Food Stores	Please let us know if you need some "shopping" as we have a number of items in stock e.g. cereals, milk, tinned fruits, etc.

Have a great weekend, Vic, Barb and Kate

VIOLET TOWN

Violet Town Campus

Tulip Street

Violet Town 3669

Campus Manager:

Monique Ringin

Business Manager:

Kimberley Amott

Violet Town News....

Wow, what a couple of busy weeks it has been. Last week we celebrated Book Week with a visit by the Violet Town Kinder. There was a wonderful parade with some amazing costumes and even an exceptionally large and very hungry dinosaur. Ms Ringin then read the picture book "Derek" and the kids made their own-concertinaed Derek fish.

Last Friday we had our Athletics Sports at Churchill Reserve in Benalla. It was a fantastic day with amazing weather and it was great to see everyone participating and producing some fantastic results. A huge congratulations and the best of luck to all the Peranbin students who qualified for the District Athletics in Shepparton today.

On Monday in Art with Mrs Moore, students created some watercolour paintings and painted over weaving using different techniques. They also experimented with felt needling.

Tuesday, Ms Burley had all the students and, in the afternoon, we enjoyed some physical activity in the amazing sunshine and finished off our day with some parachute fun.

Wednesday was a super busy day with all campuses together at Violet Town. The Senior students had a visit from Benalla Police to present the "Think you Know" online safety program. We also enjoyed our first whole college combined PE session with Ms Jung. Students learnt the steps to the Nutbush and the Electric Slide. We also had our Father's Day Stall for some serious shopping for Sunday.

Thursday, we got busy in the kitchen preparing some delicious treats for Friday afternoon. We also celebrated our amazing Ms Wymond's birthday that was on Friday.

Today we finished our week with our fantastic Father's Day afternoon. We shared yummy food, played some games, and celebrated the wonderfully special people in our life.

Have a great weekend!

The Violet Town Team

Reminders:

- **Café lunch orders on Tuesday**
- **Wednesday – Marc Van with Ms Davies (final visit for the Term so please return all borrowed books)**
- **Friday 11th August –Special Lunch Orders**

Peranbin Primary College – Violet Town Campus Kindergarten Transition Dates

- **Tuesday 27th October- 9am-10.30am**
- **Tuesday 10th November- 9am-11.30am (recess at school)**
- **Tuesday 17th November- 9am –1pm (recess at school)**
- **Tuesday 24th November- 9am -2pm (recess and lunch at school)**
- **Tuesday 8th December- Statewide Transition Day- Whole day 9am to 3.15pm**

If you have any questions, please contact the school on 57981431 or 0437226693

School Holiday Media Program - EUROA 10 year olds to 18 year olds

MONDAY TO WEDNESDAY 9AM-12PM

STARTS

21 SEP
2026

ON AIR

The Matt Christie Institute of Australia

"Striving for academic excellence"

**This program is being delivered in partnership
with Community Learning Euroa Inc. &
7 Creeks Radio.**

About the course

The program has been designed as an introductory course to the media broadcast industry that gives you a terrific insight to what it's all about when it comes to producing a quality podcast for broadcast via a community radio station, commercial radio station, online radio station or a podcast streaming service.

You maybe eligible for course funding.

Be a junior presenter for 7 Creeks Radio

MONDAY TO WEDNESDAY 9AM-12PM

Course Sessions:

Session 1: 21 Sep 2026

Session 2: 22 Sep 2026

Session 3: 23 Sep 2026

Session 4: 28 Sep 2026

Session 5: 29 Sep 2026

Session 6: 30 Sep 2026

Rectangular Snip

Topics:

- Introduction & overview of the sector
- What is a podcast/ What is radio?/Different types of radio shows/podcasts
- Presenting skills /Timing/Microphone techniques
- Media law
- Spoken content and podcast streaming platforms
- Concepts for a podcast and planning to record
- Planning your podcast and using audacity in a correct recording environment
- Interview skills and subject matters
- Student will make a podcast as the final project after completing the six sessions

The Facilitator

Matt's been educating students for the last 30 years with shows on Australian and UK Radio as presenter and producer and taught media programs for South West Arts Inc (NSW Government). As the founder of The Matt Christie Institute of Australia he has also been nominated for the Community Broadcasting Association of Australia Awards, Channel 7 Community Achievement Awards and is currently working as a Grant Assessor for the Community Broadcasting Foundation and the Manager of 2 HAY FM. The journey for Matt began when he entered a Channel 7 News Reader competition at Griffith University in Queensland in 1996.

Some benefits of the program:

- Gain a new hobby
- An overview of the radio and podcast sector
- Meet other like-minded individuals that share an interest in the sector
- Provides a pathway to more formal studies
- Give back to the community
- Basic to advanced skills to get you started in the sector
