A Wonderful End to a Busy Term

And just like that, we have reached the end of another busy term!

As always, there has been plenty happening across Peranbin, and I would like to thank all of our families for the many ways you support our school. We are dedicated to working in partnership with you so that every student at Peranbin can learn, grow and thrive.

We finished the term with some wonderful opportunities to celebrate our students and their learning.

On Thursday, our **Strathbogie and Violet Town students held their Student Showcases**, giving families the chance to come into the classrooms and see what the children have been working on.

At Strathbogie, we were treated to a magnificent morning tea prepared by the children – complete with sausage rolls, gluten-free cakes and cupcakes, the most delicious choc-nut marshmallow clusters and dips to delight! The learning focus was **procedural writing**, and the students shared instructions for everything from origami creations and drawings to how to play hopscotch. It was also lovely to have the **Strathbogie Playgroup** join us for the morning and be part of our school community.

At Violet Town, the children were equally proud to show off their work, with plenty for families to see and enjoy – including a fabulous **classroom garden in the junior room**.

We also managed to squeeze in a little creativity to finish the term. At Strathbogie on Thursday afternoon and Baddaginnie on Friday, we created some very funky cardboard birds. There was lots of cutting, creating, problem-solving and imagination involved, and every bird developed its own personality!

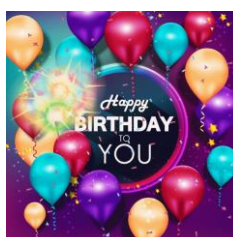

And did you see the two budding internet stars on our Facebook page this week? Lovely job, girls! It is always wonderful to see our students confidently sharing what is happening at Peranbin and showing off our school to the wider community.

As well as our Facebook stars, we are continuing to **lift Peranbin's public profile** and share more of the great things happening across our campuses. Keep an eye out for articles about Peranbin in the **Benalla Ensign, Euroa Gazette and Village Voice**. We have plenty to be proud of, and it is important that we share the achievements, learning and wonderful experiences of our students with our wider communities.

As we head into the holidays, I hope everyone has the opportunity to slow down, recharge and enjoy some time together. Thank you to our students for their enthusiasm and hard work, to our staff for everything they bring to Peranbin each day, and to our families for continuing to support us.

Have a safe and restful break, and I look forward to seeing everyone back next term, refreshed and ready to go!

Angela

Happy Holidays to our students and families!

What a busy term it's been and looking at the calendar for Term 4, hold onto your hats because there's a lot more coming!!! Camp, 2027 Prep Transition, swimming lessons, Graduation and our end of year concert, just to name a few. Knowing all of that, it's so important that we all take a minute over the next two weeks to slow down, be present, and relax. You may just be spending two weeks at home, or you may be off on an adventure, but the school holidays are such a valuable time for our children to rest, recover and re-set. My teacher planner is full of self-care ideas and I thought I'd share some with you, just in case you're looking for inspiration! All of these are free, inclusive and restorative.

***Declare a 'no chores' day**

*** Go on a picnic**

*** Put positive notes around the house**

*** Practise mindfulness**

*** Enjoy a delicious treat**

*** Go bird watching**

*** Play a board game**

*** Write down 3 things you are grateful for**

Most importantly, rest and enjoy this Spring weather. Happy holidays. 😊

For our final week of term we have been as busy as ants! Baddaginnie spent time at Violet Town completing several learning activities together, including an exciting line dance.

Students have created presentations to share information about themselves, made some beautiful bird artwork and finished their musical exploration of the recorder. Footy day was great fun, with everyone dressing up to support their favourite teams and taking part in kicking, passing and catching competitions.

On Tuesday, we celebrated Miss Jung's birthday (early) with sponge cake

On Wednesday we visited Violet Town and had a wonderful day working with other students and teachers.

Mav got into the spirit of Miss Jung's line dancing lesson with a cowboy hat and boots.

In Mindfulness Oakley has made towers to be proud of two weeks in a row.

What an amazing week to bring Term 3 to an end. On Monday we celebrated moving back into our classroom after almost 2 terms of sharing the office. The new roofing and heaters have worked perfectly. Apart from the space being so much bigger, the interactive whiteboard has become our best friend again. The images and sounds to help us learn have never been better. We also held our end of term open morning with lots of community members joining us. Today we have been able to finish off some great pieces of work as we prepare for Term 4.

Back in our classroom – we had a festive return with balloons that lasted all week. At recess we had a variety of sweet and savoury treats to keep the festivities going (and even later in the day too). We even had a selection of fizzy drinks in rainbow cups. The kids enjoyed playing with the balloons all week and took some home with them today.

End of term celebration – community open morning.

We were busy cooking throughout the week for the end of term celebration. We made almost 100 sausage rolls, 2 cakes, 12 cupcakes and 24 choc-nut-marshmallow clusters! When we weren't cooking, we were creating and publishing how to guides for drawing animals, making origami foxes and ninjas as well as popcorn in a paper bag. The students also were busy setting up the room for the various "stations" for our visitors.

On the day it was so impressive to see our students engaging in conversations about their learning, inviting people to try new things and encouraging our Playgroup visitors to try things.

After morning tea everyone was treated to viewing Queen Midas, a play that was filmed and edited by the students.

All-in-all it was a warm and welcoming introduction for some of our visitors to what school in Strathbogrie can be like.

Next term...

- MACC Van is moving to Mondays with our first visit on our first day back!
- Year 3-6 Camp is on in Week 2 (Monday – Wednesday)
- Swimming will be on in December
- The days will be warmer so make sure school hats are worn AND if personal sunscreen is preferred, send it in to school.

Thanks for another great term,

Vic, Barb and Kate
