“Morning Circles” at PPC

Our staff have recently completed some professional learning around the power of Morning Circles. Morning Circles are designed to provide time for our children to ‘check-in’ with their classmates and teachers and prepare themselves for their day of learning. They are evidence-based and are a valued part of a classroom’s daily routine.

A Morning Circle usually consists of…

- A welcome - whereby each child and staff member acknowledge each other with a positive morning greeting
- A run through of the classroom’s daily timetable
- A reminder of a school value that their class/campus is currently focusing on
- A moment to remind children about special events coming up
- And finally, what we call a ‘positive primer’- a quick game, a shared fun fact, something that worked well the previous school day- but generally a quick activity that primes the students for a positive, engaging and fun day of learning.

Morning Circles are a great way to allow everyone to have a voice and start the day feeling valued and heard. They’re short, sharp and a positive way to start a busy day.

Ask your child about their Morning Circles!

Week 5 has flown by at Baddaginnie Campus, as a three day week does. Most children have come back rested after their long weekend. At our campus this week we have reviewed and revisited known – diagraphs – ch sh – th- (hard and soft) - for ship shop – thing this – chip chop. Seniors have completed some homophone work on the three **theres** – their, there and they're – and now can use them with increased accuracy.

There have been online assessments in Reading and Maths for all students. In Maths we have caught up with our work on 'Turn, Slide and Turn' of 2D shapes. Seniors have reviewed fluency with decimals, and Juniors have added 2 digit numbers, without trading using materials and games.

Smile Squad on Thursday saw most children return to class with positive stories about their visit to the dentist at Violet Town.

Our Melbourne Cup Sweep – which focused on chance – saw winners with Savannah coming first, Ms Fitz second, and Oakley third. Last place went to Sarah!

Next week the Baddaginnie students will be going to Violet Town Campus on the Wednesday for sport with Ms Jung, and Friday 'The Colour Run'. Please source some old whitish clothes for the day, as it can be wet and messy! On Tuesday we look forward to welcoming Shevie for her first Foundation Transition day.

Enjoy your weekend,

Dianne, Sarah and Barb

Our short week has been crammed with learning inside and outside the classroom space. We welcomed Noah on Wednesday and Ms Holleran joined us on Thursday. Today the sun is shining and it looks like an enjoyable spring day. Fingers crossed the weather gods are kind to us for our Colour Run next Friday. We are heading to Violet Town on Tuesday to participate in a Questacon incurison – it should spark some curiosity with a science based focus.

We revisited a trusted friend during Literacy, with Sena and Pip watching BTN and selecting a news report each to watch and then generate questions for us all to answer. We activated our prior knowledge before each viewing and it was impressive to hear some detailed answers to the student-formed questions. Sometimes we rewatched a section (the equivalent of re-reading a text) and even searched the transcript to find the relevant information. As you can see, we wrote our answers on the board and then ticked/added details. All-in-all, a great deal of reading skills of a multimedia text were on show.

Our seedlings really benefited from the rains Bogie had and yesterday afternoon Mrs Fry and the kids planted them into the vegie patches (action shots). This morning they were all looking very happy in their new homes, standing tall and ready to grow, grow, GROW.

Colour Run is next Friday
We are looking forward to another great Colour Run next Friday at Violet Town.

We will be heading off after our spelling tests and other activities and arriving at Violet Town for 10:30am. The kids (and any family and friends) are encouraged to wear white to best show off the colour dust. Any other clothing is fine but must be sunsmart – no singlets/strappy clothing.

Lunch is set for around 12:40pm. A lunch order form has been sent home today – it is due back by Wednesday. This can include any family members who wish to enjoy a BBQ snag.

NO hot lunches – microwave or sandwich press.

The event winds up at 2pm and we will return to Bogie in time for the bus run. Parents can take their children home from Violet Town – just let staff know.

NEXT WEEK/REMINDERS

Daily	15 minutes of reading, signed off in homework book
Mon-Thur	Spelling – new words Monday– complete all 6 words each day

Violet Town News….

What a short week we have had this week. On Wednesday the students had Library with Mrs Davies. The Junior students read the story Spiro and created their own Spiro. The story was about resilience and how Spiro the spider was determined to make beautiful spider webs.

In PE this week students have continued to work on their hockey skills. At recess and lunch students have even been playing soccer on the oval and other collaborative games where they are able to practice the skills they learn in P.E.

This week has also seen all students working hard on their end of year assessments.

In the Senior Class for Library this week the students read the story "Runaway Pram" from the Just Stupid book by Andy Griffiths. They then created their own Zine Books and a Book in a Box based on something they are currently reading.

For Maths, we are continuing with angles and spent some time outside exploring and calculating the angles found in our natural environment.

During Health with Ms Jung, we have been learning about water safety in different environments, and for PE we have been learning bat and ball skills, such as tennis, cricket, hockey.

Have a lovely weekend,

The Violet Town Team

COMMUNITY NOTICES

The Strathbogie Shire has just released the draft Sports Strategy 2026-2036 for public feedback, and we would greatly appreciate it if you could include the following information in your school newsletter:

⛹ Help shape the future of sport in Strathbogie Shire!

Strathbogie Shire Council is inviting families, students and the wider school community to have their say on the **Draft Sports Strategy 2026–2036**.

The Strategy will help guide the future of sport across our Shire over the next 10 years, including sporting facilities, infrastructure and opportunities for people of all ages and abilities to get active.
From junior football and netball to soccer, cricket, basketball and other sporting activities, Council wants to ensure our communities have access to inclusive, welcoming and sustainable sporting opportunities.

We want to hear from you!
Whether your children participate in local sport, you're involved in a sporting club or you simply want to see more opportunities for young people to get active, your feedback is important.

The draft Strategy is open for community feedback until **Monday 23 November 2026**.

📣 **Have your say:** Visit https://share.strathbogie.vic.gov.au/draft-sports-strategy-2026-2036 to read the draft Strategy and provide your feedback.

Help us plan for a healthier, more active future for our children and communities!

Thank you for your cooperation.

Regards,

Robyn Keller
